TERRORISM AND ITS EFFECT TO THE SOCIOECONOMIC DEVELOPMENT IN NIGERIA. A CASE STUDY OF BOKO HARAM IN BORNO STATE

More about this item Keywords ; ; ; . LIMITATION OF STUDY Financial constraint- Insufficient fund tends to impede the efficiency of the researcher in sourcing for the relevant materials, literature or information and in the process of data collection internet, questionnaire and interview. Economists have traditionally grouped them by region, language, or income level.

Economic development in Nigeria

We strive to provide individuals with disabilities equal access to our website.

Democracy and Governance in Africa

Some, such as Ethiopia and Mali, have meager commodity endowments and large rural populations. Others argued that regional representation with bigger followings offers enormous possibilities to help smaller states.

Foreign Aid and Economic Growth in Developing Countries: Evidence from Sub

One of the concrete results of our participation last year, was the visit of a high-level business delegation from Thessaloniki to South Africa under the leadership of Mr. In 1997 there was an overall increase in arrivals of 9. The target is to reach 80 percent of households by 2005.

DataBank

Business and Management Review, 1, 24-32. GROWING STABILITY ON THE AFRICAN CONTINENT Further afield, the general improvement in the democratic environment, combined with structural changes in the economic sphere on the African Continent as a whole, bodes well for political stability and economic growth on this neglected continent. This is because food can be provided to poor people, as well as, schools can be built from a small fraction of foreign aid that eventually reaches the people it was intended for in the first place.

The Quality of Growth in Africa

Shell in Nigeria Shell is a massive TNC that operates in many countries around the world. The country produces 50 percent of Africa's and 87. The fundamental contribution that foreign aid can bring to the recipient country is economic growth and development, which in turn can reduce poverty.

Economic development in Nigeria

For example, donors no longer should give direct monetary aid, because this can be misutilized, but could provide assistance in other ways that would ensure it is effectively utilized.

Democracy and Governance in Africa

They could lose their jobs without warning if company decide to set up somewhere cheaper. A dozen other parties also hold seats.
