Quote Details: W. Somerset Maugham: Tradition is a guide...

Popular plays written by Maugham include 1921 , 1922 , 1926 and the anti-war play, 1932. He was forty when he married my mother, who was more than twenty years younger. He worked hard, but his money did not bring him great happiness; he relished sex but recoiled when inadvertently touched; he could be amusing or scarily haughty; he could hate with real venom; he was both extremely generous and vindictively cruel.
