The Appendix alone justifies the cost of the book. Utilize the SCAMPER checklist for guidance.

### **The Study of the Creativity Phenomenon in the Education of Midchildhood**

Channeled freedom gets wider birth. After some 300 years of unchallenged hegemony, this conventional paradigm of thinking is unconsciously imbedded in all of our minds, as well as in the process of the quick-fix programs themselves. This book is cheaper than Osborn's and covers basically the same ground; although the Osborn book is THE source.
