## Our Philosophy

I looked into his eyes and he asked me, 'Tell me what you want? He came with me and entered the room, and Gaifar said to me, 'I have reflected upon what you demanded but I should be the greatest weakling of all the Arabs if I were to give another man rule over all that I possess. The Persians inflicted defeat on the Omanis and regained possession of Karman. In the Name of Allaah, the Most Merciful, the All-Merciful.

## Oman From the Dawn of Islam

Our hiring practices are not just looking for a good fit with the organization, but rather with the family as well — people who are willing to learn and grow every day.

## Our Philosophy

However, the Persian King, enraged by the defeat, reneged on his promise to move out and sent down reinforcements via Bahrain. Each member of the Al Sharqi family is embedded with a deep sense of respect for our community and its needs. A delegation of these approached the Prophet after Mecca had fallen to the Muslims under Maslia bin Mazin Al-Hadani.

## Our Philosophy

But Malik's company were not intimidated and fell upon the animals with weapons, until the beasts fell and crushed many of the Persian troops. After spending nearly a decade in the Shipping and Logistics Industry of Dubai, Mr. Al Sharqi Shipping was first founded by Mr.

## Nawaaqid Al

Malik, despite an inferior force, attacked the 3000-strong army and routed them. Our aim is to collaborate with them and help them make their process smoother, so we can mutually grow together.
