BOO

All i really know her baby daddy wanna feature And when they ran up on me she damn near had a seizure See i just call her boo I think her name is ana I met her in miami, she say she from atlanta I just call her boo and she finish school And she like to drink and like to smoke my reefer too See i just call her boo I think her name was tonya I know she from decatur, she got a stupid onion I just call her boo I don't know her whole name Keep it on the low mane All we eat is lo mien Came from the block Now i gotta whole thang And you betta put a low jack on yo hoe mane Shawty stupid dumb thick i just call her red Now that i think about it maybe i should call ahead She got that super fire i can't even lie She like a water park she ain't never dry And i just call her bae and she just call me gotti Ain't no relationship we just fuckin shock She got her own bread shawty school me in a drop Her mama own some daycares her brother got them blocks And she a college girl sophomore i hit her in the dorm On the hard floor she got her shit together So i respect her more So if she ask me for some money she is not a whore I just call her boo I don't know her whole name Keep it on the low mane All we eat is lo mien Came from the block Now i gotta whole thang And you betta put a low jack on yo hoe mane I hate lame niggas so this a hate crime Rich niggas shit up on em a gang sign Gotta glock 40 in my waist line Just bought a new crib by the lake side What is life like it's love and i love my girl Show up life a big spenda i'm tryna fuck the world Yeah fuck em girl you ain't gotta go back Call em tell em that yo pussy got kidnapped And she layin with her forehead on my six pack Yeah we got something in common we like big stacks Yeah i know her name but i like to call her boo You shoulda put a chirp on her so she wouldn't move I just call her boo I don't know her whole name Keep it on the low mane All we eat is lo mien Came from the block Now i gotta whole thang And you betta put a low jack on yo hoe mane.

BOO

I just call her boo I think her name is isha, might be tasha might even be keisha.

BOO

. I just call her boo I don't know her whole name Keep it on the low mane All we eat is lo mien Came from the block Now i gotta whole thang And you betta put a low jack on yo hoe mane I just call her boo I think her name is shawna What i really know bout the girl that drive the honda. .
