## Indigo

Text boxes are numbered to provide quick access to important summaries of clinical conditions and tips for challenging examination techniques. .

## Bates' Guide to Physical Examination and History Taking

This adaptation of Bates' Guide to Physical Examination and History Taking has been fully and extensively revised to meet the needs of Canadian nurses. This highly regarded text includes fully illustrated, step-by-step techniques that outline the correct performance of the physical examination and an easy-to-follow two-column format that correlates examination techniques on the left and abnormalities clearly indicated in red with differential diagnoses on the right. The classic strengths of the Bates' parent text remain: precise explanations of technique, clear and compelling visuals, and the easy-to-use two-column format.

## Canadian Bates Guide To Health Assessment For Nurses PDF Book
