### People's Republic of China

Presidents Carter and Jiang also discussed North Korea, religious freedom and Tibet questions before concluding the friendly and open one-hour twenty-minute meeting. Rather, it is a state of political antagonism that is a legacy, and a lingering one, of the Chinese civil war that took place in the mid to late 1940s. Overall, wildlife trafficking remains a critically important issue in the country, with China often being a destination country for wildlife-derived products used in traditional medicine and in food.

### The Beginning of the End for the People's Republic of China

The Government is encouraged to remove the exemptions allowing the capture and trade in marine wildlife. Every citizen enjoys his fundamental rights and freedoms only when he performs his fundamental duties.

### China: Timeline

I'm definitely interested to see what happens with this whole Aramov clan - it was interesting to find out that one mission will carry on across a few books. Furthermore, in 2018, the Ministry of Agriculture strengthened the requirements for humane slaughter by mandating inspections of pig slaughterhouses, pre-and post-mortem.
