A lesson that the Chinese may be learning is that viruses can mutate when they're out in the wild. International love affairs and hatreds Americans fought and won a war with the Nazis, and now, 75 years later, Americans like the Germans, are friends with the Germans, and Germany is an ally. Prediction is a new variable in the complex of factors which lead to consequences.

furnish software and training to community providers, mostly removing this legal obstacle. Does that stop her from being the neighborhood slut? At the climax of that crisis war, the Zulus were dispersed, and the Zulu nation ended.

### Unintended consequences

This is actually what Australia feared, in canceling Victoria's BRI project. This illustrates the magnitude of the economic depression that the country is enduring, with sadly no clear turning point on the horizon, given the disastrous deliberate policy inaction.

This would be entirely expected from Chi Haotian's glorification of the unique Chinese DNA. Those who acquire it will cease to exercise their memory and become forgetful; they will rely on writing to bring things to their remembrance by external signs instead of by their internal resources. I've been using that analogy for years, and I'm not aware of any example of Chinese behavior that contradicts the donkey analogy.
