## World Report 2020: Myanmar

The full and equal enjoyment of all human rights and fundamental freedoms by women and girls is a priority for Governments and the United Nations and is essential for the advancement of women.

## Progress of the World's Women: In Pursuit of Justice

Shue grounds rights upon liberty, security, and subsistence. The World Conference on Human Rights therefore urges all States to put an immediate end to the practice of torture and eradicate this evil forever through full implementation of the Universal Declaration of Human Rights as well as the relevant conventions and, where necessary, strengthening of existing mechanisms.

## OHCHR

The transformative potential of migration for women and the new opportunities for creativity and freedom that it could offer is a side to the story that is less often heard.

## Fourth World Conference on Women, Beijing 1995

The World Conference on Human Rights urges the full and equal enjoyment by women of all human rights and that this be a priority for Governments and for the United Nations. And, then, second, I will indicate how our government ought to respond to the current paradigm as I see it now, the turn of the century -- how we address what you could call the human rights Y2K problem. The World Conference on Human Rights urges States to ensure the full and free participation of indigenous people in all aspects of society, in particular in matters of concern to them.

## Progress of the world's women

Furthermore the conference identified strategic entry points for strengthening support to implement the CEDAW and CRC through national legislation, policies, and budgets. Human rights describe moral norms or moral standards which are understood as inalienable fundamental rights of every human person.

**In pursuit of dignity**

And we have seen this at the State Department in regard to our efforts with regard to Kosovo. This 25th anniversary is an opportune moment to remind the development community as to how the human development concept has contributed to and influenced the development discourse over the years.
