The American Presidency: An Intellectual... book by Forrest McDonald

Above all, however, this book provokes us to ponder deeply the health not only of the presidency but of the whole regime. .

The American Presidency: An Intellectual History by Forrest McDonald

Realize that had there been no George Washington, the framers would have been reluctant to create an executive position that is now known as the presidency.

The American presidency : an intellectual history (Book, 1994) [vip.stumagz.com]

Grant, Hayes struggled to reconcile the country after the Civil War. Before his presidency, Harrison gained fame for his military career. McDonald is somewhat of a conservative, but often withholds judgment on , though refrains from the enthusiastic lust for power and centralization that liberal historians like Arthur Schlesinger seem to have.

The American Presidency : An Intellectual History by Forrest McDonald (1994, Hardcover) for sale online

Although he frequently struggled with health issues, Kennedy was nonetheless an avid scholar and an ambitious statesman. Arthur is generally regarded as being an inconsequential leader.
