Its critique of the excesses and brutalities and idolatries of the free market still needs to be heard. He adopted it apparently to respond head-on to the critics who considered any movement in behalf of working people to be socialist. Die Anthropologie Karl Rahners, Freiburg 21971.

Leonhard Ragaz

As long as I live, I shall protest if people who are fighting for any ideal whatsoever no longer find an understanding among us. As early as 1923, Ragaz recognized Fasci sm as a brutal and growi ng menace whose core was fundamentally anti-Chri stian.

The Beatitudes proclaim a transvaluation of values.

Leonhard Ragaz und Schalom Ben

It seems that even capitalism cannot be made to function in the human interest without a little love and human kindness.
