She explains how even normally non-abusive people when treated abusively for long periods can eventually retaliate with emotional abuse of their own. I continue to be surprised that there are people who defend such behaviors. Physical Abuse Physical violence is another tactic that sociopaths may use to control others, but again it is not always a strong indicator of a sociopathic personality on its own.

OHCHR

Adequate, effective and prompt reparation is intended to promote justice by redressing gross violations of international human rights law or serious violations of international humanitarian law.

The Truth About King Tut's Curse And Its Victims

When I think what happened with Allen, he was mentally abused. Oh and next time, how about using actual primary sources instead of your own articles or reviews.
