Soldiers: The Rajput and Brahman

Iron shafts were substituted for the long bamboo cane arrows when armor penetration was needed, particularly against armored elephants and cavalry. All festivals are celebrated on a large scale and by anybody and everybody.

Ancient India Military

Whereas a sailor keeps his palm downwards — facing the ground; perhaps not to show his grease-soiled palm to his seniors. Examples of these intricate and possibly overly complex formations include the Wheel, Needle and Fish to name just a few. The Indian Army soldier is infused by a set of values that make the soldier willingly face a plethora of challenges and difficulties, and when the call may come, to give the ultimate sacrifice in the service of the Nation.

Native Americans in the U.S. Army

We remember the bravehearts who made the supreme sacrifice in service to the nation. A fruit can freeze and become inedible within seconds; temperatures can fall to 60 degrees below zero, and snowfall can stack up to 36 feet.

All about Gunners Day and the traditions of the Regiment of Artillery in Indian Army

A diminution of values and a culture of corruption and nepotism in the country have had their fallout on the army as well. This was a time when Indian culture flourished in all areas but like all empires it was made possible by a powerful military.

Indian Army in World War II

His mission was to develop doctrine and the way forward when it came to employing Army aircraft and how they would support warfighters on the ground.

TRADITIONS OF THE INDIAN ARMY

They worried that Hindu and Muslim India would be Christianized.

...: India Strategic :: Army: Ethos of the Indian Army

Alexander and his forces crossed the Indus river but where halted at the Hydapes River by a large army on the other side. However, while the German army was amongst the best armies in the world at that time, He still had shown open admiration for the Gurkha Regiment.
