## The Interplay Between Global and Regional Human Rights Systems in the Construction of the Indigenous Rights Regime on JSTOR

In brief, if colonial military conquest does not confer rights to colonial power, the indigenous peoples are sovereign in their territories, an impeccable argument from the legal point of view Clavero 2008. .

### Alexandra Xanthaki, Indigenous Rights and United Nations Standards: Self

The Yearbook provides students, scholars, and practitioners alike a valuable combination of expert discussion and direct quotes from the court opinions to which that discussion relates, as well as an annual overview of the process of cross-fertilization between international courts and tribunals. According to the Islamic world view, the Koran and other religious sources play a dominant role in the regulation of social life. But despite its importance, the concept has remained, until now, underdeveloped.

### 《人类学家是做什么的》参考文献索引(Q)

Several state observers demanded that before talking about rights, there has to be an agreed objective definition of indigenous populations. The consequence of this parliamentary inquiry was passage, in 1542, of the New Laws of the Indies which led, among other things, to Indians being granted direct protection by the monarch and the end of their being used as slaves.

### Indigenous peoples, postcolonialism, and international law: the ILO regime (1919

It is an indispensable resource for scholars, students, international organisations, and NGOs working on the rights of indigenous peoples Book Summary: In seeking to foster preconditions for maintenance of order international law lays great emphasis on state sovereignty - guaranteeing states special protection against threats to their territorial integrity. This is the case of many of the Amerindian societies for example that instigated

litigation, laws and decrees from the early years of European expansion over the American continent. It offers a comprehensive institutional, thematic and regional analysis of the Declaration.

### **Draft UN Declaration on the Rights of Indigenous Peoples: An Overview**

In other words, they possess or have possessed a form of state which, without necessarily being a modern nation-state with exclusive jurisdiction over a circumscribed space, nonetheless constitutes the expression of an equally legitimate sovereignty. While it is not a legally binding instrument under international law, it represents the development of international legal norms designed to eliminate human rights violations against indigenous peoples, and to help them in combating discrimination and marginalisation.

### **ILO: Social Justice in a Global World? A History in Tension**

Andolina, Robert, Nina Laurie and Sarah A. This field has contributed to a greater understanding of the struggles that indigenous people worldwide have faced and are still facing.
