Subcommittees

Private claims have detailed descriptions of the basis of the claim, the itemization of the award, and the circumstances requiring that the bill be introduced. In addition, there are reports and related records concerning torts claims against the Post Office Department, 1947-59; special, so-called Attorney General reports on certain classes of immigrants, 1951-56, and on claims of Japanese-Americans evacuated under Executive Order 9066, 1953-58; dockets of the Motor Carrier Claims Commission, 1952-56; summaries of tort claims settled by the Post Office

Department and the military services, 1948-60; and records relating to claims against the Army for the Texas City disaster of 1947, 1955-62. Because of the nature of its investigations, the subcommittee is considered by some to be the Senate equivalent to the older House Un-American Activities Committee HUAC.
