It began as a revolt against the dominant approaches to art and culture and traditional views on what art should be. It can be bought at the news-stands since 2002. Why not take a few moments to tell us what you think of our website? The magazine's original goal was to.

## Art, music and popular culture

It was established in 1998 and was the third Bulgarian computer games magazine after the brochure Top Games and the magazines Master Games and Gamers' Workshop. In 2002 Britart was heavily criticised by the leading conductor Sir Simon Rattle, who was, in return, accused of having a poor understanding of conceptual and visual art. The figure of the dandy, which is played by Shonibare himself, reflects on his 'outsider' status as a black, disabled artist.

## 80s Culture

Key works by them are, respectively, The Physical Impossibility of Death in the Mind of Someone Living, a shark preserved in formaldehyde in a vitrine, and My Bed, a dishevelled double bed surrounded by detritus. According to the magazine itself, it was the first computer software.
