Blues, Jazz, and Embodiment in Toni Morrison's *The Bluest Eye*

Toni Morrison has earned attention and praise. The narrator wishes to be the voice of the city by speaking and listening on behalf of it.

The First Reviews of Every Toni Morrison Novel

She has taught numerous courses in American ethnic studies and American ethnic literature and has written many articles and books on American ethnic literature and the theory and pedagogy associated with multicultural studies.

An Analysis of the Narrator as the Voice of the City in Toni Morrison's *Jazz*

Joe has a feeling that Wild was his mother even though no one tells him so outright.

Toni Morrison

There are several others of whom we learn little when the narrative clearly demands much more . . . Yet still, there is that magnificence, burning beneath the surface of every word. Morrison, Toni — Criticism and interpretation. Joe and Violet kill and mutilate a teenage girl. . . and then Morrison makes us love them.

But there is much more to Morrison's *Jazz* than American prose. It is set in Harlem during the Jazz Age and tells the story of a long term relationship between a husband and wife that is in deep trouble. What she emphasises here is a sort of grim equality based on suffering: slaves are white as well as black, women of all races are at the mercy of men.

To keep the interplay vibrant and tonal, we love. Having finished the book I walked around in a daze for a couple of days reconsidering almost everything I had previously thought that is no overstatement. Her characters are unforgettable and so real and her writing transcends the time and

place of her writing and its brilliance is everlasting.

Blues, Jazz, and Embodiment in Toni Morrison's *The Bluest Eye*

He fell for an eighteen-year-old girl with one of those deep down, spooky loves that made him so sad and happy he shot her just to keep the feeling going. She was made catholic when she was 12 years old. You really want somebody like that? They are under the covers because they don't have to look at themselves anymore.

Toni Morrison

The couple got married in 1958 but they divorced in 1964 when Toni was pregnant with their second son. This is tender and true, and impossible, in its picture of the old hells of young boys, the lonesomeness and tentative attempts to be mature and secure, the awful block between youth and being grown-up, the fright and sickness that humans and their behavior cause the challenging, the dramatization of the big bang.
