## Mikhail Gorbachev's Contribution To The Fall Of The Soviet Union

Since the Soviet government was allowing freedom of expression, many anti-Soviet movements were able to gain traction in Soviet satellite states such as East Germany.

### The role of Gorbachev

Growing nationalist movements spearheaded by the Baltic states led him to propose a loose federation of Soviet states.

### Mikhail Gorbachev and the End of Soviet Power

June 1, 1990: President George H. Introduction The Soviet Union, or the USSR, has had its fair share of leaders since its conception on November 7th, 1927. The immediate aftermath of that vote was the Armenian's declaration of independence, issued on 21 September.

### BBC ON THIS DAY

In 1990, , , and had already declared the restoration of their independence from the Soviet Union.

### The story of a good man

For six years, Gorbachev carried off a delicate balancing act, forcing reforms on a recalcitrant old guard, while trying to contain the demand for change from radical reformers within and without the Communist Party.

### Gorbachev, Yeltsin and the Demise of the USSR

. That is not just my view; that is the view that has been expressed to me by Mr. He returned to the White House after rushing from his vacation home.
