

Shukukonka

Shoshi Yamada - FULL OF BOOKS Online

雨があがって雲間から
乾麺みたいに真直な
陽差しがたくさん地上に刺さり
行手に標名山が見えたころ
山路を登るバスの中で見たのだ、
虹の足を。
眼下にひろがる田圃の上に
虹がそっと足を下ろしたのを！
野面にすうりと足を置いて
虹のアーチが軽やかに
すくくと空に立ったのを！
その虹の足の底に
小さな村といくつかの家が
すっぽりと抱かれて染められていた
のだ。それなのに
家から飛び出して虹の足にさわるう
とする人影は見えない。
——お——い、
君の家が虹の中にあるぞ
乗客たちは頬を火照らせ
野面に立った虹の足に見とれた。
多分、あれはバスの中の僕らには見
えて村の人々には見えないのだ。
そんなこともあるのだから
他人には見えて
自分には見えない幸福の中で
格別驚きもせず
幸福に生きていることが——。

In his entry on the topic in the 1990 Spenser Encyclopedia Haruhiko Fujii noted that among several thousand scholars of English literature in Japan only 30 showed a sustained interest in Spenser, with a publication of only 5-10 books and articles per year, compared with about 1000 for English literature overall. As Toshiyuki Suzuki explains in his review, this brevity is achieved through strategic omissions namely, of dispensable copulas, pronouns, and redundant epithets, which are sometimes relegated to footnotes, and through occasional choices of a plainer, more colloquial diction. Shijin no ō Spenser, eds.

Spenserian Allegory in Japan

I follow the English convention of rendering Japanese names, with the given name first; macrons indicating long vowels are for the most part omitted in names, but included in quoted text and titles. Both these studies approach the question of allegory by way of allegoresis.

9784167168407: Shukukonka (Volume #1) [Japanese Edition]

Following the 1969 complete prose translation of The Faerie Queene by a team of seven scholars at Kumamoto University, the academic study of Spenser has increased steadily. Psychokinetic Yuito and prodigy Kasane look to enlist but things might be worse than they. We Accept Testimonials Only in Japan have we come close to the level of service received by Hondarake and Tomoko in person.

. Nonetheless, in the past fifty years Japan has become one of the most prolific producers of scholarship on Spenser outside of English-speaking countries. Through a systematic program of allegoresis, canonical secular texts such as Ise monogatari Tales of Ise and the first imperial poetry anthology Kokin waka shū came to be seen as esoteric Buddhist allegories and as pedagogical tools for the transmission of religious mysteries.

His poems are usually plain, unpretentious narratives, and echo his longing for nature, especially the sea, and for living in harmony with nature. The first partial translation of The Faerie Queene was published in 1937, enabling academic study thereafter.

Hiroshi Kawasaki (poet)

All sixteen poems presented here have been newly translated into English for PIW, nine by Takako Lento and seven by William I. The event also revealed the anime will premiere exclusively on Netflix worldwide in December, and will then air on television in Japan in January on Tokyo MX, MBS, a.
