### Guides and support booklets

It is written for women with a history of substance misuse or on methadone maintenance therapy. This Handbook discusses various forms of the drug as well as the origin and nature of samples.

### Drugs

A laboratory confirmation service is also available. They told us emphatically that they do not have adequate facilities; they identified where they go and what they do currently and what they would like to happen in the future. So I can state that the contributors have done a great job in their historical entries.

### Handbook of Forensic Drug Analysis

With chapters written by leading researchers in the field, the book provides in-depth, up-to-date methods and results of forensic drug analyses.

### Drugs statistics

More recently the SISS team have been attending to overdoses and administered naloxone to those with opioid overdose symptoms. Please feel free to download, print and use this resource. Our patent portfolio covers a number of platform technology patents for diagnostic tests in relation to fingerprints, as well as associated technologies.

### Guides and support booklets

Illicit Drug Manufacture with an Emphasis on Clandestine Methamphetamine Production : Synthetic Methods and Law Enforcement Concerns Jay Siegel, PhD is retired Director of the Forensic and Investigative Sciences Program and Chair of the Department of Chemistry and Chemical

Biology at Indiana University Purdue University Indianapolis.

### **Drugs statistics**

I don't think we're going to get rid of it. The threats could be directly to them, or to their families back home, or both.

### **Health and Social Care workers' perceptions of NPS use in Northern Ireland**

Medical Communications is at the forefront of cross-platform publishing and events for pharmacists and healthcare professionals across the UK. Most fatal overdoses involve use of more than one type of drug. Prescription drug misuse Medication, when used as prescribed by a GP, and under their care and supervision, can be extremely beneficial to someone in poor health — physically or mentally.

### **Guides and support booklets**

Talk to someone, you are not alone. Developing a Club Drug and Alcohol Policy is central to every clubs response to this issue as it will enable every club to outline what can be done at local level, with the help of local professional services, to prevent and respond to alcohol and other drug problems.
