Mistral's intoxicating marketing imagery of the 80s, rocked the windsurfing world to its very core, recorded forevermore through the lens and eyes of photographer, Ulli Seer. Mistral turns windsurfing into an international sport and even launches the Mistral World Cup Team. He has curated a of culturally influenced and inventive small plates for guests to savor and share time and again.

Mistral Music... a new wind is blowing through chamber music

The Mistral rainbow-wave, created by artist Russell Davidson in the late 1970s, reflected the colours and the mood of the times. This is similar to a wind, but unlike a foehn wind the descent in altitude does not significantly warm the mistral.

The mistral is not always synonymous with clear skies. But among the many faces that came out of Excoffon's studio were the Antique Olive family and Mistral, which probably will never be successfully imitated. Sometimes it also blows from the north-north-east toward the east of Languedoc as far as Cap Béar.
