Where to Go From Here We just passed the 100th anniversary of the tragic 1918 Spanish Flu outbreak that took the lives of over 50 million people.

### Choices Sneak Peek: Prepare for the future in tomorrow's finale of Rising Tides! □ : Choices

It is easier and can get as much as 3 liters of liquid into an adult per day. So what is the secret to becoming the employer of choice for the younger generation and how do you prevent them from straying to the competition? Breathe in the past, hold that moment and that breath, and as you breathe out, let that exhalation be a metaphor for the letting go of self-judgment for past mistakes.
