In embracing his penance, going within and opening himself to the truth of his heart, even when it's too late to change anything, Erland is rewarded with a perfect moment, the final scene in the book, which offers catharsis after the hesrtwrenching events of this story. B ECKER, A Study in Political Failure.

## Succubus

Har läst boken ett par gånger, men tycker den är bra nog att läsa igen. It stars Laurence Olivier, Cedric Hardwicke, Nicholas Hannen, and Ralph Richardson. Such attempts, however, —of which this single example will suffice—lie outside of the current of modern development.
