Struggle for survival: the history of the Second World War Пользовательский отзыв - Not Available - Book Verdict Parker, Fellow of Queen's College, Oxford, has produced a compact, perceptive synthesis more noteworthy for presentation than for new sources or interpretation.

**Struggle for Survival: History of the Second World War : Parker, R. A. C.: Amazon.sg: Books**

With great vividness and narrative drive Rana Mitter's book draws on a huge range of new sources to recreate this terrible conflict. If you're into the nitty-gritty of the economy This really deserves all the stars, because I can honestly say: if you are looking to buy a one volume history of WWII, this is definitely the one to buy.

**Struggle for Survival: History of the Second World War by R. A. C. Parker (Paperback, 1990) for sale online**

The military campaigns are described straightforwardly, but Parker Europe 1919-1945 gives equal weight to the economic structures of the Allied and Axis powers, illustrating, for example, that Russian fighting strength was rooted in an economy greatly underrated by the Germans. With great vividness and narrative drive Rana Mitter's book draws on a huge range of new sources to recreate this terrible conflict.

**Struggle for Survival: History of the Second World War by R. A. C. Parker (Paperback, 1990) for sale online**

Mitter puts at the heart of our understanding of the Second World War that it was Japan's failure to defeat China which was the key dynamic for what happened in Asia.

**Struggle for Survival: History of the Second World War : Parker, R. A. C.: Amazon.sg: Books**

Dr Parker begins by outlining the strategies of the participants, the economies and societies that underlay them and the strengths and weaknesses of the various fighting forces. Please also provide direct contact information for the person who is responsible for the resolution of your claim.
