The nonfacility RVUs reflect all of the direct and indirect PEs of furnishing a particular service.

Browse subject: Aphakia

Whenever a date is designated inder clause iii , the election shall apply to services performed before the quarter in which the certificate is filed only if the member performing such services was a member at the time such services were performed and is living on the first day of the quarter in which such certificate is filed. We reiterate that the valuation of a service under the PFS in a particular setting does not address whether those services and the setting in which they are furnished are

For CY 2013, we proposed to continue our work to recognize resource efficiencies when certain services are furnished together.

42 U.S. Code § 1396a

We conduct a clinical review to assess the appropriate RVUs in the context of contemporary medical practice.

medically reasonable and necessary for a patient's medical needs and condition. We have reviewed public comments, made adjustments to our proposals in response to comments, as appropriate, and included final values in this final rule with comment
