The first was when Mr.

The evolution of the 'Eightsome Reel'.

Lord Granville, it was declared, had thrown the Papal note back to the Ambassador ; Lord Granville had left the room throw- ing the note behind him, leaving the Ambassador to pick it up off the floor ; Lord Granville had left the room saying that as he was not intending to return there, the Ambassador could do what he liked with the note, because he certainly was not going to keep it himself; and so on and so on. Italian women, especially in the second half of the century, were professors in universities, lectured to large audiences, and were respectfully consulted by men of science and learning in the various branches of scholarship to which they were devoted.
