## Art Sculptures for sale

Famous examples of contemporary sculpture include: the large scale metal sculptures of b. Indeed, the advent of the Bronze Age In Europe: 3000-1200 BCE as well as the emergence of cities and public buildings, and the development of more sophisticated tools, triggered a general increase in the demand for all types of art, including sculpture. The Church was weak, the Barbarians who weren't big into sculpture were strong, and cities were impoverished and uncultured.

## From the interior : selected sculptures 1981

It began in Florence, being inspired by individuals such as the architect Filippo Brunelleschi 1377-1446 , the sculptor Donatello 1386-1466 , the painter Tommaso Masaccio and the theorist Leon Battista Alberti 1404-72 , and financed by the Medici Family. Original copies, limited to 200 or even considerably more, can be found in other materials than bronze and released with false advertising.

## From the interior : selected sculptures 1981

For art in India, see 3300 BCE - 1850.

## Original sculptures and subsequent copied works

The firing significantly modifies the proportions of the thick and thin parts. Wax, which is harder to manipulate, and therefore takes a longer time, is more suitable for small-scale figures and is not as restrictive. Also the great monumental American sculptor 1850-1931 , noted for the seated figure of Lincoln at the Lincoln Memorial in Washington DC.

## Original sculptures and subsequent copied works

The central group of figures was replaced in the 1980s by a resin mould containing marble powder.
