Basic Obligation of Public Service

New York, NY: Cambridge University Press. The Communications Act of 1934 became the first comprehensive legislation to regulate both wire and wireless communication. Some of the topics focused on in the PSAs have included rape, child abuse, domestic violence, AIDS and civil rights.

The Public and Broadcasting

All public media organisations are under pressure to maintain high professional standards, but also to reach large audiences — both to justify the amounts received from audio-visual licence fees or public budgets, but also to ensure they remain relevant A Definition of Public Service Media The term public service media is used here as it best reflects that most public media organisations now operate on multiple platforms, however it is noted that most are still dominated by their broadcasting legacy. As a result, radio stations and service providers are forced to keep up with faster-paced filing to maintain compliance with the FCC. Highly Trusted Public Service Media In Latvia, PSM are supervised by an independent authority of five members, chosen from among professionally or academically experienced candidates suggested by specialised non-governmental organisations in the fields of media, human rights, culture, education and science.

Basic Obligation of Public Service

A licensee who discriminates in employment policies or practices is not likely to fulfill the ascertainment function well. REGULATING BROADCAST PROGRAMMING 204-19 1994 and Laurence H. In 1999, the Supreme Court held that the prohibition on broadcasting advertisements for lawful casino gambling could not constitutionally be applied to truthful advertisements broadcast by radio or television stations licensed in states where gambling is legal.

The Public and Broadcasting

Absorbed, pursuant to EO 5892, July 20, 1932, functions, records, and personnel of the Radio Division, Department of Commerce. The Food and Drug Administration has primary responsibility for the safety of food and drug products. Their mission may not always popular with the masses, but decades of social experience show the social worth and importance of keeping faith with that mission.
