## Juris Doctor : What will I study?

Igor Ferreira studied biology and cartography and since an early age was interested in the relationship between indigenous peoples and the environment. Hannibal Rhoades works as Head of Communications for The Gaia Foundation. As officers arrived and began to investigate, they learned that a suspect inside the residence shot a firearm at another person inside.

However, philosophical thinking lies at the heart of many aspects of human life. What can we really know with any certainty about international politics? Preliminary investigation revealed a Mercedes station wagon, operated by Walter Smith 21 of Pendleton, was westbound when it lost control and slid sideways into the eastbound lanes and collided with a Toyota Tacoma operated by Natalie Swauger 30 of Seaside.

## DRAA Book Titles

Also a qualified solicitor, Adrian works for the Soil Association and is co-chair of the English Organic Forum. It introduces the basic notions of probability theory and develops them to the stage where one can begin to use probabilistic ideas in statistical inference and modelling, and the study of stochastic processes.

## Module directory 2020

Students can engage in four programmatic areas defined by faculty research: humans and the environment, international development and globalization, health and well-being, and professional methods and techniques.
