The Sandalwood

You may use the drop-down menu to access other versions of Tripadvisor addressed to specific countries and regions. At Sandalwood Village we are more than a place where you rent a one or two-bedroom home, we are a tight-knit community where your well-being is always placed first. A private, romantic spot to spend some quiet time with your significant other or alone, glass of wine in hand as you soak in the plunge pool just off of the patio, enjoying this most tranquil of settings.

Wonderful visit to Newport and so thankful for this little home. Couldn't have wished for a better holiday.
