The shutter on this signal light works great opening and closing the shutter with ease but does not have a spring on it that some of the others do.

## The Great Jack O'Lantern Blaze

In 1998, Hoi An decided to combine the tradition of the full moon rituals with the hanging lanterns, creating the festival as we know today. The main Lantern bridge and Japanese bridge are often very congested, and the whole experience can be quite overwhelming for little ones and exhausting for parents.

## Lights on the Lake

Therefore lighting lanterns there means illuminating the future and giving birth. Possibly WWI or WWII Naval Vintage as the Tin Body still had remnants of a gray-green paint used by the Kaiserlich Marine and Kriegsmarine.
