Davis, Louise Page, and United States. Sulphide of potassium, or liver of sulphur, is an excellent fungicide for use against the superficial mildews, as Apple-tree mildew, Rose mildew, Hop mildew, etc.

Commercial Gardening Vol3

The abnormal development of small-fruit culture in Scotland has had a disastrous effect on the fruit industry. Most culinary apples in highest favour with the public are green in colour. THERE MIGHT BE DELAY THAN THE ESTIMATED DELIVERY DATE DUE TO COVID-19.
