Max's Diary

His name is and he's a serious geek, plus he's dark and witty. The two armies clashed at Dharmat in April 1658, with Aurangzeb being the victor. Or capture me for scientific experiments.

Hacked Off

Strangely though the bits I like best are his drives to and from Stratford, bits about the town being full of punks on Bank Holiday. Fine place for a vacation, that. He grilled me for being out in the hall during a fire alarm.

The King and I (1956)

Aurangzeb was shocked when as the time of his second coronation in 1659, the chief qazi refused to crown him since his father was still alive. The Mughals led by and Shaista Khan attacked and were defeated by the Ahoms. The winner gets a trip to San Francisco and lots of publicity.
