### Arkansas Historic Preservation Program

The June 3rd 1921 flood that swept through Pueblo, Colorado, set the stage for the development of the Historic Arkansas Riverwalk of Pueblo. There are four of these in Arkansas. The project provides flood protection for approximately 49,000 acres of urban and rural lands in and adjacent to the cities of Wichita and Valley Center U.

### ★ Historic Arkansas Riverwalk

Army Corps of Engineers said the people who live downstream from the four dams need to start making preparations now for the control spillway releases. Click on the aerals button in the top left of the viewer.

### Places To Go: Arkansas

Granite Haven has feeders right outside the windows so you can enjoy these feathered friends close up.

### ★ Historic Arkansas Riverwalk

Port of Catoosa, Oklahoma Today, the McClellan-Kerr Arkansas River Navigation System begins at the Port of Catoosa near Tulsa on the , which runs via an extensive Lock and Dam system to the Mississippi River. Clear Creek Reservoir and Twin Lakes are both less than ten minutes away. Granite is surrounded by BLM and national forest for those interested in hunting elk, deer, and antelope.
