

Program and abstracts for North American Cranberry Research and Extension Worker Conference, Sept. 30 - Oct. 2, 1999, Long Beach, Washington

Washington State University - INTEGRATED ORCHARD MANAGEMENT AND AUTOMATION FOR DECIDUOUS TREE FRUIT CROPS

Description: -

-

Forests and forestry -- Vietnam.

Deforestation -- Vietnam.

Air quality management -- United States.

Ozone.

Atmospheric ozone.

Tax administration and procedure -- United States.

Tax auditing -- United States.

Tax collection -- United States.

Administrative agencies -- Data processing -- Security measures -- United States.

Computer security -- United States.

Information technology -- Security measures -- United States.

Hippocrates.

Wealth -- United States -- Statistics.

Poor -- United States -- Statistics.

Households -- United States -- Statistics.

Income distribution -- United States -- Statistics.

United States -- Appropriations and expenditures, 2000.

United States. -- Dept. of Transportation -- Appropriations and expenditures.

Lackawanna Valley National Heritage Area (Pa.)

Cultural property -- Pennsylvania -- Management.

Sensors.

Expert systems.

Checkout.

Signal processing.

Real time operation.

Systems health monitoring.

Fire fighters -- Delaware -- Wilmington.

Express highways -- Environmental aspects.

Express highways.

Pesticides -- United States -- States -- Statistics.

Vegetables -- Diseases and pests -- Control -- United States.

Fruit -- Diseases and pests -- Control -- United States.

Field crops -- Diseases and pests -- Control -- United States.

Pests -- Integrated control -- United States.

Pests -- Control -- United States.

Nuclear energy -- United States.

Radioactive wastes -- United States.

Environmental management -- United States.

Environmental policy -- United States.

National Advisory Council for Environmental Policy and Technology (U.S.)

Homeless Persons -- Services for -- United States.

Federal aid to services for the homeless -- United States.

Homeless persons -- Services for -- United States -- Finance.

Homeless persons -- United States.

Teachers -- Training of -- Minnesota

Naval gunnery -- Technological innovations -- Costs.
