## Medieval

The contrast between the quality of life in the peripheral housing estates of a city such as Glasgow and that of the new towns like Cumbernauld or East Kilbride could not be more stark. Calculated for the use and amusement of gentlemen ... by all which they will be enabled to form a right judgment upon this, or any ancient structure, either in the Gothick or other stiles of building.

## Medieval

Understanding some of the processes of change, however, is not enough. Starting from the assumption that most of the built environment is unremarkable, we have noted the impact of the movement of people on the demand for buildings and the transmission of design. One clue is that our Middle Ages predecessors believed the liver to be in control of our emotions.

## Emberverse (Literature)

The Baroness later Grand Constable later Marshall Tiphaine d'Ath is gay and in a monogamous relationship with Delia de Stafford, of the equally-gay Rigobert. What that might be depends on time and place.

## Emberverse (Literature)

Nevertheless the garden—as an expression of French culture and the setting for a house that is not particularly distinguished as a building—is an important piece of landscape in its own right. So, the UK prefers 'bumpkins' and 'yokels', while the US goes for 'hicks', 'hayseeds' and 'hillbillies'.

## Phrases

The spoiled priest was lucky that any woman would have him. Are there other more important questions? At the end of 2010, a survey concluded that China had spent £30 billion on creating 2,500 theme parks of its own.

## **Medieval**

The Woodwright's Shop: his instructions for a shaving horse can be easily modified for splay-leg benches.

## **Design, Technology and the Development Process in the Built Environment (Built Environment Series of Textbooks)**

These factors not only influence the design of individual buildings but also have an important effect upon the relationships between buildings.
