Provincial Equality, Special Status and the Compact Theory of Canadian Confederation on JSTOR

The old confederation, it is true, was formed by the state Legislatures, but the present Constitution of the United States was derived from an higher authority.

Compact Theory Basics

Two factions, the Federalists those favoring the Constitution's adoption; led by Alexander Hamilton, James Madison, John Jay, etc.

What is the compact theory of the Constitution?

The people were not satisfied with it, and undertook to establish a better. Compact theory contrasts with , which holds that the United States was formed with the consent of the people—rather than the consent of the states—and thus the federal government has supreme jurisdiction over the states.

Compact theory

The nullification doctrine maintained that the states have the right to overrule any unconstitutional laws, with the decision being unchallenged by any federal entity.
