Different Democracy

What was the seminal first, most influential article? Current coverage of the government focuses more on what the president does than on presidential policies. She was met with great hostility from her coanchor Harry Reasoner and received critical coverage from the press. Texts probable — but may potentially be replaced : Michael Grow, U.

The Impact of the Media

We are currently piloting a new exam proctor for our exams! Generally only possible in small communities, although elements of direct democracy exist in California's referenda, initiatives, and recall elections.
