Automotive Tools and Equipment

The rate includes graduates who completed manufacturer-specific advanced training programs and those employed in positions that were obtained before or during their UTI education, where the primary job duties after graduation align with the educational and training objectives of the program. UTI is an educational institution and cannot guarantee employment or salary. The Bureau of Labor Statistics does not publish entry-level salary data.

Complete Tool List for Automotive Technicians

In fact, as a group, UTI students purchase the most Snap-on tools in the U.

Auto Repair Tools, Equipment & Supplies

Many customers—both commercial shop owners and hobbyists—choose us over the competition. Understanding the auto repair business extremely well has allowed us to become the one-stop automotive equipment resource for large and small shops and car buffs since 1996.
