GRADE LEVEL THEREFORE, THE STUDENT IS ABLE TO 7-12 Compare the policies toward Native Americans pursued by presidential administrations through the Jacksonian era.

The Age of Reform

Slave Ship Manifest from the Schooner Lafayette, 1833 Listing a group of eighty-three enslaved people shipped from Alexandria, Virginia The United States ended the legal importation of slaves in 1808, but enslaved blacks continued to be bought and sold within the country, making the internal slave trade a lucrative business. Information on the interactions between women and men and among various reform impulses can be found at the. Thus stimulated, the Alliance movement spread quickly and by 1890 it had nearly two million members.

Expansion and Reform · Virginia Changemakers

In 1907 it was discovered, for instance, that the American Sugar Refining Company -had defrauded the government of a large amount of import duties. The ore lay on the surface of the ground and was easy and cheap to mine. The acceptance of many Federalist ideas by Presidents Jefferson, Madison, and Monroe allowed the two parties to merge into one.

1801

Eastern farms were too small, agriculture too diversified to justify investment in expensive machinery; southern cotton and tobacco were not readily adaptable to mechanized cultivation.

National Expansion and Reform, 1815

The North ended slavery after the Revolutionary War, and many Northerners desired a national ban on slavery. The law itself accomplished little immediately after its passage, for it was couched in general and indefinite terms.

United States Era 4

If this principle were now to be preserved, a bold course was necessary.
