## the dynamics of language

The dynamics of language processes: Essays in honor of Hans Dechert. The bar is open in the evening.

## L2 Vocabulary by Vivian Cook

Paper presented at the Round Table on English Dialects of Aboriginal North Americans at the IVth International Conference on Methods in Dialectology. The Masterkey for Indian Lore and History. The acquisition of the first language is a process of setting the values for parameters in response to 'triggering' evidence, rather than one of learning 'rules'.

## Guillermo Bartelt

Language learners' extrapolation of word order in phrases of micro-artificial languages.

## Timed Grammaticality Judgements by Vivian Cook

The verbatim record: The myth and the reality. Neuware - The book explores the role of age in communication under consideration of various age groups, genres, cultures and languages, and demonstrates the growing potential of age-related research for linguistic and social analyses that is founded on a more comprehensive and systematic basis than has been practiced so far.
