### Front Matter on JSTOR

The student text includes an answer key and a tapescript. Even dictionary skills are presented in a painless and intriguing way. Includes a few structures not on course outline: comparative adjectives, indefinite pronouns, direct and indirect objects, and present perfect tense.

### Front Matter on JSTOR

Nice progression of the complexity and length of articles to challenge students. In this expertly done PBS series, a young American woman leaves the safe world of her hometown, Boston, to follow her dream in San Francisco.

### **vip.stumagz.com: Reactions: Multi**

Addresses academic and everyday language skills.

### Front Matter on JSTOR

Available in split editions for shorter courses. New vocabulary is introduced in short reading segments, and pronunciation skills are refined through specific exercises. Each of 10 chapter includes 2 listening activities, a grammar point, language skills such as vocabulary, pronunciation, idioms or style, and a section that encourages authentic interaction such as interviews and debates.

### Vol. 28, No. 2, Summer, 1994 of TESOL Quarterly on JSTOR

Much of the writing instruction is in analysis of the readings.

### **vip.stumagz.com: Reactions: Multi**

This book would help students prepare for other college-level classes.

### Front Matter on JSTOR

Interactions I and Interactions II will also be published in a new edition in an integrated series that may fit nicely with our 10-unit format. Cassette tape of script available at Open Media Lab.
