The Carter Center News and International Affairs Story

If any man love the world, the love of the Father is not in him.

Iran

Westmoreland, was callous in his attitude toward Vietnamese civilian deaths and saw technical advances in Vietnam as inaugurating a new way of war. Amazing what words on a piece of paper written by a select few can do to a many! Russia is placing greater foreign policy emphasis on energy-producing areas of Central Asia.

Mentors of Barack Hussein Obama

On April 18, 1947, in the Slovakian capital Bratislava, while wearing his clerical outfit, Tiso was hanged.

The Carter Center News and International Affairs Story

But it is out there. As I mentioned earlier, when you get right down to it, North Korea pursued the development of nuclear weapons in the first place in a bid to deter a much stronger USA from pursuing a policy of regime change in North Korea.
