## Wages

See the pamphlet for more detail on the wage claim procedure.

## Work Schedules

The FLSA child labor provisions are designed to protect the educational opportunities of minors and prohibit their employment in jobs and under conditions detrimental to their health or well-being. A copy of a birth certificate, a driver's license, or school identification is acceptable. Then, find the average hourly rate by dividing total gross pay before overtime by the number of hours worked.

## Wages and Hours

Some states require overtime pay when employees work more than eight, nine, or 10 hours in a day. The regular hourly wage is then divided in half to determine the additional premium half-time rate due the employee.
