COLONIAL ADMINISTRATION

British Social Policy, 1776—1939: An Economic, Social and Political Perspective. Religion was no longer necessary to justify their deeds, since their own civilisation had proved its unquestionable superiority — so they believed — by its achievements in terms of economic success, prosperity, technical progress and scientific knowledge. Louis, Goree, Rufisque and Dakar.

British government was empowered by the constitution to veto any legislation that would discriminate against Africans. They had seen the strength of nationalist movements in Asia and fought side by side with Europeans and seen weaknesses which exposed the myth of European racial superiority. Members stressed cultural nationalism and emphasized the greatness of the African past.

A Short History of British Colonial Policy

Stamp Act Congress, 1765: This was an assembly of delegates from nine of the original thirteen colonies in 1765 which was intended to protest the Stamp Act. Like early nationalistic movements, this Pan African Congress was elitist and concerned with issues such as the disabilities of black civil servants.
