**Calloway County, Kentucky: Vital Records**

These articles are indexed in the They are not indexed by surname, only by the title of the article.

### Calloway County KY Birth Records

Family History Library Vital Records Collections This is a collection of Family History Library records which are abstracted, indexed and titled the For over 30 years, volunteer indexers extracted this information from microfilm copies of the original records.

### Murray, Calloway County, Kentucky Birth Records

An index is included with this record.

### Vital Records Search

Major archives such as the University of Kentucky Library have microfilm copies of marriage records for many Kentucky counties.

### Free Calloway County Vital Records (Kentucky Vital Records)

The index is not necessarily complete for any particular place or region. Thanks from all of us at Linkpendium! In 1849, authority was given to county circuit courts to grant divorces. Probate records in the 20th Century often contain the exact death date.
