The is one of several claimed to be the first college football homecoming game. Colin wants Walter gone as well, but Heidi is able to convince him it will look even better for the program if he is successful after initially experiencing disciplinary issues.

What is Homecoming?

The intense rivalry originally took place at neutral sites, usually in , until a new conference regulation was announced that required intercollegiate football games to be played on collegiate campuses. Since they arrived at Homecoming via a military flight that landed at a base, Shrier believes they may not even be in Florida, and he hasn't been swallowing the daily pills.
