## Business Restructuring. An Action Template for Reducing Cost and Growing Profit. Edition No. 1

Bought this book because of my interest in business restructuring and got what i wanted, this book contains a good and detailed template for restructuring companies, after reading i could understand the basics where to check for problems and how to do that the right way, and how to implement changes, for me as a student it was maybe a little bit too complicated because i am not used to work in huge companies and some of the processes was not clear to me, but i could understand most of it anyway, as it is said on the cover, the book is for senior managers and vice presidents and they get what they deserve. Notes Chapter 5: Ready to Launch 69 Kicking Off Your Restructuring Project So You Think You Can Change? Realize efficiencies through the reorganization of resources, improving processes, and identifying outsourcing opportunities Sustain results and achieve continued efficiency, profitability, and growth.
