Mad as a March hare

Eating the Alice Cake, by Kaaron Warren: Alice's job is to clean out dead people's houses.

March Hare Rally

. The hare was sacred to the White Goddess — the Earth Mother — and was considered to be a royal animal.

Mad as a march hare

In Memory of a Summer's Day, by Matthew Kressel: Wonderland has become a tourist attraction, where groups can re-live Alice's adventures, but guests still sometimes disappear without warning. A truly enchanting fairytale with a rather bitter edge to it - my favourite in this volume. On the run, it evades capture through hairpin jinks, flips and leaps, switching from victim to victor, from here to gone.

MARCH HARE SNACK BAR, Sarnia

Mercury Priya Sharma is a dark tale set in a debtors' prison not so far from the village of Daresbury where the real CL Dodgson is commemorated in church window. Some of my favourite short stories were, unsurprisingly, from well-known heavy hitters: Genevieve Valentine, Seanan McGuire and Catherynne M.
