The Gambler Returns: The Luck of the Draw by Dick Lowry, Dick Lowry, Kenny Rogers, Reba McEntire, Rick Rossovich

When Garrett goes to the hospital to see if it was the woman that he had spotted, he finds it is the woman who he had thought was the love of his life, the woman who he was going to ask to marry him eighteen months ago, before she suddenly just disappeared. Luck of the Draw started off with a bang when Garrett Sterling, on a ride around his ranch, witnesses a fatal crime, too far away to do much about it.

Luck of the draw: is a COVID

I also liked the side characters. With that said I want to thank Edelweiss for letting. I received a free, advanced copy of this book from NetGalley.

Luck of the draw: is a COVID

If you are looking for a high suspense mystery with a side of romance than this is the book for you. He knows it's immature, but with a big break from his laundry on the line he can't pass it up. The secondary characters will be notable if you have read the first book in the series, and they add some fun quirks to the story, even though they take a backseat in this book.

Luck of The Draw by Jack Daniels, Paperback

A woman who ran out on him without a word. Who is trying to kill her and why? He reports it to the authorities who investigate and discover that there has indeed A second chance at love murder mystery! She's the one person who has kept Dani grounded, giving her stability and the one who helped both Dani and Brighton get together. He, of course, finds himself really liking one of the three.

Luck of the Draw (album)

Brighton matures a lot through the story and I liked how never gives up on the girl he loves, despite making a stupid bet and possibly losing her forever. Luck of the Draw starts off like gangbusters, with the hero, Garrett Sterling, out on horseback riding along his property when he spots movement in the distance--a man with a gun pointed at what appears to be a terrified and unwilling woman being dragged off into the woods on the other side of a ravine. She told him she was an undercover cop.
